

Charis Marie Mackey

Events Planner

Meet Charis

Charis Mackey has a passion for event planning and coordinating that goes back many years. Charis has been her family's go-to resource for years when big events take place, and her natural talent and enthusiasm now allow her to work as a sought-after professional.

Charis began offering her services professionally following her involvement in the highly successful Bright Lights Gala, a black-tie event which raised over \$30,000 for a local charity. Charis recalls:

"I took on multiple tasks – reaching out to bands and musicians, coordinating with their managers, arranging sound and audio checks, graphic design, lighting, decor, guest lists and table seating, food and beverage, the night's agenda, securing a venue, tables, chairs, and linens, security, parking, and even naming the event. At the end of the night, after a formal dinner, two live bands, a DJ, and an auction, we had raised over \$30,000 for our featured charity. It was one of my proudest moments."

Since then, Charis has become a popular resource for weddings, corporate events, and other social occasions. Charis is known for her attention to detail, her impeccable taste as a consultant, and her accommodating manner. She is well connected to reliable vendors and contractors. Charis's involvement ranges from advance event consulting to on-site coordinating for large and complex events. Regardless of your event's size and your available budget, Charis can help.

Your satisfaction is Charis's priority, and her exceptional work speaks for itself. Whether your upcoming event is elegant and sophisticated, cozy and quaint, or exciting and lively, Charis looks forward to helping you plan and enjoy an occasion to remember.
